for those that know the difference

Techno dj | Producer | Events Organiser | Live Techno Broadcaster

## Deep Down Underground:

Undoubtedly one of Plymouth UK's most established and skilled techno DJs, Calrek has been a prominent feature of the underground techno scene since the mid-nineties, as well as organising techno events for over 22 years.

Headlining club events & festivals in many countries, as well as running his own techno events, Calrek has brought true underground techno to his audience.

Once heard, Calrek's passion and energy behind the decks are instantly recognisable which leaves you yearning for more, comparable to an addiction.

Calrek has secured the Plymouth Hub on 21 April 2018 for his newest inaugural techno event, Communiqué, which is bringing back true underground techno to his beloved city of Plymouth UK.
